

PRIMARY CARE NETWORK PAIN ROUNDS

The Painful Implications of Trauma: How to Treat the Whole Patient

Kara Irwin, M.Sc., Registered Psychologist

Psychologist, Irwin Psychological Services

Clinical Assistant Professor, Department of Family Medicine, University of Calgary

Ph.D. Candidate, Department of Community Health Services, University of Calgary

Tuesday, June 1, 2021

1730-1830h MT

[REGISTER HERE via EVENTBRITE](#)

Who should attend?

Family physicians, registered nurses, nurse practitioners, pharmacists, rehabilitation or mental health professionals, and any other interested members of the team.

Primary Care Network Pain Rounds is a forum to help PCN physicians and teams stay up to date on current science and clinical practice in pain assessment and management. Sessions will occur every 2 months and cover a wide range of pain-related topics.

*This **Group Learning** program has been certified by the College of Family Physicians of Canada and the Alberta Chapter for up to 6 Mainpro+ credits. (1 credit per session)*
