

## Speaker Bio: Dr. Ginetta Salvalaggio

Ginetta Salvalaggio is an Associate Professor with the University of Alberta Department of Family Medicine, and the Associate Scientific Director of the Inner City Health and Wellness Program. She received her degree in Medicine from the University of Alberta and completed a family practice residency in Thunder Bay, Ontario. Initially practicing as a rural locum, she eventually returned to Edmonton to establish a maternity care and family practice.

Dr. Salvalaggio joined the Department of Family Medicine in 2007. She has also completed a Masters of Science in Population Health through the University of Alberta School of Public Health. Her clinical and academic interests are focused on social accountability, patient and community engagement, and health services for urban underserved populations.
