

CMN Virtual Collaboration Forums

The *Collaborative Mentorship Network for Chronic Pain & Addiction (CMN)* is made up of family physicians, nurses, pharmacists, mental health practitioners, and other members of the care team who want to improve their confidence and capacity in chronic pain and substance use. The CMN monthly Virtual Collaboration Forums are now open to non-CMN members.

JANUARY 27 | 7:30 PM MT

Not Another New Years' Resolution: Patient Motivation and Goal-Setting in Primary Care

Join clinical psychologist Dr. Arlene Cox as she shares strategies for setting realistic expectations and developing an effective treatment relationship.

Register at www.cmnalberta.com/VCF
